The Jacksonville Zoo, July 17, 2015 From 6-9p.m.

The Greater Jacksonville Florida Area USO, along with this event's local sponsors, St. Vincent's Hospital and Navy Federal Credit Union are hosting Military Appreciation Night at the Jacksonville Zoo! The whole zoo is open for the evening for Active Duty Military, Retirees, Reservists, National Guard, Veterans with ID, DOD, and their families with wristbands provided by the Greater Jacksonville Florida Area USO! This is a one of a kind event and it is our 3rd Annual Offering to the Greater Jacksonville Florida Area USO Active Duty Military and their families. This event represents hundreds of participants along with the Greater Jacksonville USO staff. Find out more about the Greater Jacksonville Area USO here www.usojax.org.

The wristbands that have been given to our guests for \$3 through the Greater Jacksonville Florida Area USO include Zoo Admission, Unlimited Train Rides, and the newest exhibit Land of the Tigers. This event provides an activity that most of these military families otherwise could not afford. The Greater Jacksonville Area USO exists to provide the support and services needed so desperately by so many families and military members. Each year, the Greater Jacksonville Area USO touches the lives of more than 250,000-plus local active-duty military, including local and state wide Army and Air National Guardsmen and Reserves, and their immediate families. USO is the Help On the Home Front.

Please contact the PR and Marketing Director for the Greater Jacksonville Area USO, Tiffany Thigpen to find out more. 904-524-6085
